154 N. Center St.  
Lehi, UT 84043  
(801) 768-7160

UNDERAGE DRINKING  
SENTENCING PROGRAM

INSTRUCTIONS: You have been convicted of, or pled guilty to, a charge involving underage drinking. As part of your sentence you may have been ordered to serve jail time, pay a fine, and serve a term of probation. The judge may also require you to complete this Underage Drinking Sentencing Program. This document describes the requirements of that program in more detail.

1. PARENT INVOLVEMENT CREDIT: If you bring a parent with you to court you will receive a credit of \$100 off of your total fine amount. You qualify for this credit if you bring a parent to any hearing related to this charge and if the judge has a chance to talk to your parent. Make sure to let the judge know you brought your parent with you. You may also schedule a review hearing, after you have been sentenced, to bring a parent to talk to the judge and receive this credit. Contact the court clerk if you need to schedule a review hearing. If your parent reads the 12-page insert described below (*See #2 Educational Requirement*) and informs the judge that it has been completed, you will receive another \$50 credit off of your total fine amount.
2. EDUCATIONAL REQUIREMENT: The judge has required that you read the information found at the following website, and answer the questions found on the back of this page. You must answer the questions correctly, sign the form, and return it to the Court within 30 days from the date you are sentenced. If the completed form is not in the court's possession within this time period, or if you have not made an appointment to talk to the judge about an extension, you will be in violation of your probation and will have to serve additional jail time.

After you have read the information contained in the 12-page insert found at <http://publicsafety.utah.gov/highwaysafety/documents/12PageInsert.pdf> answer the following questions. You must answer all of the questions correctly:

- a. T or F      Alcohol affects an adolescent's brain different than an adult.
- b. Complete the following sentence: "Alcohol use may impair \_\_\_\_\_,  
\_\_\_\_\_, \_\_\_\_\_, and  
\_\_\_\_\_."
- c. What is the #1 reason kids don't drink? \_\_\_\_\_
- d. The hippocampus (the section of the brain responsible for learning and memory) can be \_\_\_\_\_% smaller in underage drinkers.
- e. Children who start drinking before age 15 are \_\_\_\_\_ times more likely to be injured while under the influence of alcohol.
- f. T or F      Teens who use alcohol have a higher rate of academic problems and poor performance.
- g. T or F      Alcohol use by teens is a strong predictor of unprotected sexual activity and unwanted sexual advances.
- h. Children who drink are \_\_\_\_\_ times more likely to use an illicit drug, more than \_\_\_\_\_ times more likely to use marijuana and \_\_\_\_\_ times more likely to use cocaine than children who never drank.
- i. T or F      Unlawful Possession or Consumption of Alcohol by a minor is a Class B Misdemeanor punishable by a fine of up to \$1000 (plus state surcharges) and a jail sentence of up to 180 days.
